MJFC recognises that parents and spectators have a great influence on children's enjoyment and success in football. All children play football because they first and foremost love the game. It is important to reinforce to all parents and spectators that positive encouragement will contribute to:

- Children enjoying football
- A sense of personal achievement
- Self-esteem
- Improving the child's skills and techniques

Parent and spectator expectations and attitudes have a significant bearing on a child's attitude towards:

- Other players
- Match day officials
- Club managers and other helpers
- Other spectators

We expect that all parents and spectators within our club are always positive and encouraging towards all of the children, not just their own. We will encourage parents and spectators to:

- Applaud the opposition as well as your own team
- Avoid coaching the child during the game
- Not to shout and scream
- Respect the referee's decision
- Give attention to each of the children involved in football not just the most talented
- Give encouragement to everyone to participate in football.

We would also like to ensure that parents and spectators within our club agree and adhere to our club's Code of Conduct, Child Welfare Policies and Discipline Policy paper copies of which can be obtained from any club official if required.
